

A NEW PRESENTATION FOR THREE ANNIVERSARIES

Gilberte Cote-Mercier
1910-2002

Louis Even
1885-1974

**“THE ECONOMY AT THE SERVICE OF MAN,
THE DAILY BREAD DISTRIBUTED TO ALL”**

These words of Pope Paul VI, taken from his encyclical letter *Populorum progressio* on the development of peoples, were the theme of our week of study and Congress this year. During this Congress of 2010, we celebrated three anniversaries: the 125th anniversary of the birth of our founder, Louis Even, the 100th anniversary of the birth of our co-founder, Gilberte Cote-Mercier, and the 75th anniversary of the beginning of Louis Even's apostolate work for the diffusion of C.H. Douglas's social credit philosophy. For this special occasion, we decided to change the format of our publication, and go from a tabloid newspaper to a full-color magazine... for the same fantastic price: \$20.00 for 4 years, with still five issues per year. We are sure all our subscribers will appreciate this change, and take advantage of this new format to find new subscribers to MICHAEL!
